EXPERIENCE

Digital Content Specialist — DaVita Kidney Care, Denver, Colorado

2025 - PRESENT

- Increased organic SEO performance by **36% within the first quarter** by identifying a technical SEO gap, implementing targeted improvements, and optimizing site performance.
- Developed and implemented a blog editorial process from scratch, establishing workflows for content planning, review, publication, and promotion to improve consistency and cross-functional coordination.
- Served as the primary point of contact for web content updates, partnering with stakeholders to coordinate, communicate, and execute changes.
- Built and maintained web pages in WordPress using CMS blocks, ensuring content accuracy, consistency, and adherence to brand standards.
- Analyzed content performance to identify optimization opportunities, refine content strategies, and recommend data-driven content updates.

Digital Content Coordinator

- Promoted to Digital Content Specialist after demonstrating strong ownership of SEO initiatives, web content management, cross-functional coordination, and the development of scalable content processes.

Website & Digital Content Coordinator — Highlands Ranch Community Association, Highlands Ranch, Colorado

2025

- Lead social media strategy, increasing link clicks by **100%+** in my first quarter through targeted, platform-optimized content.
- Managed website content (DNN), driving a **17%** increase in organic search impressions post-launch with strategic SEO and content optimization.
- Produced multimedia assets and coordinated with contractors to support cross-channel campaigns and enhance user engagement.
- Analyzed performance data to refine strategies and maintain consistent messaging across digital platforms.
- Maintained content calendars and ensured consistent, timely messaging across platforms.

Communications Coordinator — Donor Alliance, Denver, Colorado

2022 - 2024

- Managed digital properties (social media, website), updating content, monitoring analytics and editing via WordPress CMS.
- Oversaw social media marketing strategy, content creation and audience engagement.
- Handled internal communications, including e-newsletters and intranet updates.
- Developed and implemented integrated marketing/communications strategies in collaboration with team members.
